

TREFFOS SCHOOL
INDEPENDENT SCHOOL, NORTH WALES

NOT ALL CLASSROOMS HAVE FOUR WALLS

Outdoor Education

Kindergarten enjoying a splash in the waves to cool down following their pupil choice activities on the beach. Lower-Juniors using their teambuilding skills to make the most of their water based activities. A leap into the unknown for the Uppers on their coasteering day.

The Infants and Kindergarten enjoyed harvesting the crops they planted this year. They loved the carrot and sweet potato soup they cooked.

Sports Day

The sun shone for our Olympic themed Sports Day. It was great to have the whole school together, but it was a shame the parents couldn't join us. Scan the QR-code to see more of our enthusiastic competitors in action.
